Subject: Nomination for Additional TAG and OTM Faculty Panel Members

As we prepare to enter the 2018-2019 OTM and TAG review season we have updated each of our panels based on resignations and retirements. To ensure a consistent number of faculty members participate on each of the panels we have identified needs by panel, included on the third page.

In order to ensure appropriate representation of institutions we will be accepting nominations from you for your faculty to serve on these panels. There are 12 TAG disciplines and 3 OTM areas that need additional faculty members.

Once all recommendations are received we will determine which recommendations/institutions will best complete each panel. If your nomination is accepted we will follow up with you individually.

As a member of a TAG or OTM faculty review panel, they will help to build a seamless transfer system in Ohio, and their duties will include:

- Performing an integral role in the implementation of Ohio's Credit Transfer initiative of establishing a TAG or OTM course equivalency.
- Working with fellow faculty members across the state.
- Working with a panel lead for their faculty review panel in their discipline or area.
- Completing review of TAG or OTM course submissions.
- Sharing any concerns they may have with the TAG or OTM submission/review process.
- Reviewing submissions through Course Equivalency Management System (CEMS).

HOW TO NOMINATE YOUR FACULTY

We have designed a survey that you will be able to enter your nominations in for the TAG disciplines and the OTM areas, as well as to find out which school type (2- or 4-year institution) and/or specific expertise each panel nominee has. You may also use the list of panel needs
